| 18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course) | | | | |

Our college has three Language departments which work in applying traditional knowledge to real-life situations. In addition, the Fine Arts association has worked towards the revitalisation of cultural resources for communicating positive messages in the society. We conduct regular poetry recitation programs, moral instruction programs and value based programs. Our University has mandatory course in Value Education for all UG programs and Human Rights for all PG programs. Tamil is a classical language which reflects the tradition and culture of Tamil Nadu. The students of Tamil language learn Dramas, Poetries and Tamil Grammar. The Urdu language that acquires its existence in the abundant heritage of Indian composite culture is another language studied in our college. Yoga classes are also conducted in the college. Faculties of our institution have engaged in publishing literary works. Students are motivated to pursue online courses via SWAYAM-NPTEL and other MOOC platforms that integrate the Indian knowledge system, art, culture, history and languages.

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

Our college offers programmes across Humanities, Social Science, Science and Technology. All these programmes are offered as Outcome Based Education (OBE) by the University. Our college is prepared to fulfill the objective and achieve the targets as per the structural curriculum provided by the affiliating university. Program Outcome and Course Outcome are clearly given in the website of our college to educate the students regarding OBE. The attainments of the OBE are also informed to the students. in accordance to NEP 2020 initiatives.

20.Distance education/online education:

Our College is an aided institution. We do have future plans to provide online education for the public in the form of short term courses or cretificate courses. At present, we are a Learning Resource centre for the Institute of Distance Education, University of Madras, Chennai. The Faculty of our college serve as guest lecturers for these distance education programs. Our college faciltates the enrollment and registration of the students in the various programs and courses offered by the University of Madras through the distance education mode. We serve as the examination centre facilitating Practical classes as well as examinations to fulfill the required eligilbilty for learning in distance education mode.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Our college ensures effective curriculum planning and delivery through a well-documented process. We follow Thiruvalluvar University's academic calendar, incorporating it into our detailed college calendar each year. This calendar includes important dates, dates of Continious Internal Assessment tests, and holidays. To ensure smooth delivery, we create a master timetable, allowing departments to plan their activities and allocate workload accordingly. We employ diverse teaching methods like lectures, ICT, Powepoint presentation ,group discussions, and experiential learning.we conduct Bridge courses for the freshers in the first semester.Faculty members develop e-contents for e-Uloom (Our Instituties' E-Content Database) to enhance the teaching-learning process. We conduct three internal assessment tests, providing feedback for self-improvement. We support slow learners through remedial classes and encourage advanced learners to pursue MOOC courses. Our ultimate goal is to motivate all students to excel and create a nurturing environment for their success. Regular PTA ,meetings are organized to keep the parents/Guardoans well informed about their wards progress.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Institution has an effective mechanism for well-planned curriculum and documentation at the variouslevels

. 1. College Level: To execute the curriculum completion on time, the college prepares an Academic calendar very meticulously every year. The effective mechanism which sets the goal of curriculum completion in the teaching and learning system is scheduledin the academic year covering all the co-curricular, extra-curricular activities, important days and meetings. It is followed properly for the delivery of course content to the students.One final centralisedinternal assessment is carriedout for each semester to evaluate the students' academic performance.

2. Department Level: The departmental timetable is prepared and care is taken to see to it that it is getting executed properly. Care is taken to complete the curriculum in a stipulated time. The Head of the department checks the department activities from time to time. Two Continious internal assessment is carried out department wise. The departments analyze the results at the end of the examinations.

3. Individual level: The implementation of curriculum is smoothly administered by the teachers. Teaching plan is prepared by the individual teacher in advance.Teachers to complete the curriculum enjoythe freedom to follow any innovative idea of teaching they wish. They prepare econtents based on their course wise lecture Details are given in the link

| Slow Learners: | owments' awards and me | dals. | | | |

The HoD and mentors monitor the slow learners' progress in every test.

They are provided with remedial classes and special coaching apart from the college working hours.

They are motivated by the Advanced learners in peer to peer mode.

T

Career Guidance and Placement Cell provides training in interview skills and communication skills, Personality Development programs to enhance employability of the advanced learners. It also provides special required training to slow learners.

Online resources and library books are available to strengthen the knowledge-base of both.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

All the departments conductinnovative programs which stimulate the creative ability of students. Faculty members also put efforts in making the learning activity more interactive by adopting the below-mentioned student-centric methods.

Experiential Learning

• Certificate / Value Added/ Add-on courses are offered in the campus matching to the current trends of the industries like Tally, Python, Web designing, Digital Marketing and Business start ups, etc.

Participative Learning

Students are encouraged to inculcate the skills through Participative Learning.

- Every department provides learners with opportunities to directly meet professional connoisseurs thereby providing a platform to improve their learning quotient. Students are encouraged to attend and present papers in the Seminars/Webinars/Workshops and Conferences. They also participate in the academic events at inter collegiate and intra-college competitions.
- They are constantly encouraged to participate in the various career guidance programs
- They are encouraged to enrol inMOOC courses offered by SWAYAM, NPTEL etc.
- They participatein Quizzes, Discussion, Presentations and Debates.

Problem Solving

As part of the problem solving methodologies adopted in our college, ourstudents are asked to analyze the annual balancesheets of the reputed companies as assignments. The science students are introduced to theory and program based applications in industry.

They are assigned academic tasks to acquire and develop problem-solving skills. They are encouraged to do projects and Internships.

| 2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words | | | | |

Student centric methods with ICT tools like LCD Projectors, are constantly made use of in the teaching learning process. Every department conducts innovative programs which stimulate the creative ability of students. E-Contents are available on the college website.

Lab manuals are shared to students well in advance before the experiment is performed.

Faculty members also make efforts in making the learning activity more interactive by adopting student-centric methods like Google classroom is used to share the course content - learning material for both theory and laboratory, submission of assignments and test papers, etc.

The college Library is equipped with ICT facility which includes ebook, ejournals, etc. for Students and Faculty. Most of the communication is by using Email, WhatsApp, Telegram, etc. Faculty members are sharing lecture notes and videos through active whatsapp groups.

Animated PPTs are prepared to improve the effectiveness of the teaching- learning process.Video lectures are uploaded to YouTube for future reference.

C I A is transparent and time bound. Internal Assessment is done by the course faculty. As per the schedule in the college calendar three CIA tests are conducted and marks are uploaded in the college portal.

Each course and practicals are evaluated for a maximum of 100 marks in which CIA component carries 25 marks and end semester examination carries 75 marks. The internal marks are based on the Continuous Internal Assessments Tests, Model examinations and assignments. Our college conducts the Model Examination in a centralized manner.

The valued answer scripts are given to the students and the students' grievances (if any) forwarded to the examination cell which were solved by appropriate authorities. The internal assessment tests' marks and students' attendance are uploaded periodically on the University website.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

All the faculty members inform the students well in advance about various components in the assessment process during the semester.

The internal assessment test schedules are prepared as per the university and mentioned in the college calendar and the same is communicated to the students well in advance.

The corrected answer papers of the students are distributed to the students for verification and any grievance is redressed immediately.

The marks obtained by the students in internal assessment tests are uploaded periodically on the university web portal along with their attendance.

For lab courses, the marks/grade scored by the student for each experiment is indicated in the observation/record.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Thiruvalluvar University has implemented the Choice Based Credit System. The Choice Based Credit System gives an opportunity for the students to choose courses consisting of core, elective & skill based courses. The Syllabus is updated from time to time by the University as per the requirement of the current market scenario. The students get the required skills for the existing job environment. They get an opportunity to develop their potential, credentials and competitive edge.

Our College is affiliated to Thiruvalluvar University, Vellore. The curriculum prescribed by the University is followed for all the courses.

| Upload COs for all Programmes (exemplars from Glossary) | <u>View File</u> |

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Programme outcomes and course outcomes are evaluated in the following methods.

Direct Method:

Continuous Internal Assessment and End Semester Examination marks are taken into consideration to measure CO's. The CIA evaluation includes marks of 3 CIA tests & Assignments for UG Program and for PG Program .To measure the attainment level of CO 75% weightage is given to End Semester Examination and 25% weightage is given to CIA marks.

Level of Attainment:

All the CO's are interlinked with PO and PSO and the correlation levels are entered in PO/PSO/CO matrix to obtain PO attainment values as per Thiruvalluvar University.

Feedback on the attainment of PSOs and POs are specifically adjudged and the drawbacks and difficulties are periodically informed to the Thiruvalluar University through members /representatives in the Board of Studies.

| 4.3 - IT Infrastructure | | | | | |
| 4.3.1 - Institution frequently updates its IT facilities including Wi-Fi | | | | | |
| College believes in student's enrichment through abiding new skills and self growth which make them self-dependent, competitive. Hence, it frequently updates IT facilities in the campus. The college allocates, in its budgets, a considerable sum of money for acquiring and developing IT infrastructure facilities. | | | | | |
| The college has 166 computers for academic and administrative activities and it has high speed internet facility with new Solid State Drive was added for the existing Hard Disk Drive. RAM is also increased in most of the Computers. High speed Wi-Fi facilities are available across the campus. | | | | | |

For safety and security of the students and faculty members, college has installed 18 more CCTV Cameras across the campus for safety and security.

The college library is well equipped with various facilities such as INFLIBNET service etc. There is a UGC-Sponsored resource centre located in library for staff and students support.

College administration realizes that performance review needs to be collected from stakeholders and hence a comprehensive performance

appraisal system is followed. IQAC collects and consolidates the Performance Based Appraisal System for the entire teaching faculty. It designs a special form for this purpose. Yearly Academic Audit is carried out meticulously as a part of appraisal. Any negligence is rectified immediately. Feedbacks are collected and analyzed from students on teachers, help improvise the performance and boosts the morale. HoDs submit an Action Taken Reports to the IQAC. Based on that IQAC prepares an ATR and submitsto Management. Periodic reports if any on Faculties intervention in the Teaching-Learning process are collected by HoDs and Submitted to the IQAC. Career Advancement Scheme of the UGC is done bythe IQAC as it forwards the eligible CAS candidates to the Management for further processing. Vice-Principal (Administration) discusses work progress and the status of pending files in regular reviews with the management and utmost care is taken to clear the files at earliest.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Internal and external financial audits are carried out every year. Since the External Financial Audit is mandatory, it is conducted by the Joint Directorate of Collegiate Education, Vellore Region, Vellore as per the schedule. Our college duly carries out internal financial audit regularly. Internal Financial Audit is conducted by the auditor appointed by the management to scrutinize the financial transactions and review them periodically. The budget proposals submitted by the department heads, associations and support services through the Principal are approved by the Secretary and Correspondent. On approval, the sanctioned amount is spent and the expenditure incurred is submitted in the form of vouchers, original bills to the Office Superintendent, administration department for perusal. This internal audit procedure is carried out for all academic and non-academic departments according to the nature and the requirement. External Audit: College is dependent on the Joint Directorate office for the External Audit every year. We have requested theJoint Directorate office to conduct the external audit for academic year 2022-2023.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Our college emphasizes Gender equity by providing fairness and justice regarding educational benefits and needs for women and men equally. Equal opportunities are given to both the genders. All the courses offered are for men, and only in B.Sc. Microbiology girls are admitted

- The college celebrated"International Women's Day" on 8 March 2022 with the tag "Our Women Our Strength".
- NSS observed the "International Day for Elimination of Violence against Women" on 25 November 2022.

Facilities for women.

- Separate rest rooms, common rooms are provided for ladies and gents.
- Counseling is given to the students periodically.
- Day Care Center with a separate female caretaker is appointed for lady faculties inside the campus.
- a. Safety and security
 - 25 CCTV Cameras installed inside the college campus to ensure the safety of both the genders.
- b. Counseling

- Counseling is given to the students periodically by the teachers and Mentors
- Internal Complaints Cell & GrievanceRedressal Committee is very keen in counseling students and the grievances are sorted out immediately.
- c. Common Rooms

Separate rest rooms, common rooms are provided for ladies and gents.

d. Day care center for young children

• Day Care Center with a separate female caretaker is appointed for lady faculties inside the campus.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Our college sensitizes constitutional commitments through various activities. The college regularly conducts events like Independence Day and Republic Day evinces immense interest in celebrating historically important days in line with national festivals to imbibe national spirit among the staff members & students and also to refresh the role of teachers and students in constitutional obligations.

The students at UG level are taught 'Value Education' as a part of their curriculum to inculcate the values and ethics on the aspects of Human Rights and Constitution of India besides others.

Every year Republic Day is celebrated on 26th Jan by organizing activities highlighting the importance of Indian Constitution. Independence Day is also celebrated every year to highlight struggle of freedom and importance of Indian constitution.

NSS units carried out a rally to observe the Armed Forces Flag Day Rally on 22nd November 2022. An amount of Rs. 3975/- was collected from the local people.

Apart from these days, Voters' Awareness Day and Constitution Day are also organised to sensitize the students about the constitutional obligations.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice I

1. Fostering Blended Learning Environment for Skill enhancement and personality development

2.Blended learning aims to improve teaching quality, enhance skills, and make students competent in holistic development.

3. The college provides various courses, workshops, seminars, and webinars to align with industry requirements collaborates with Edureka, VIS learning Academy, and TIPS academy, 21 classrooms are equipped with projectors and there is one multimedia room with smart board facility.

4. The college conducts certificate courses, workshops, and webinars to align with industry requirements.

5.Blended learning programs, including 12 certificate courses, have benefited 639 students, including 67 completions of TCS IoN Remote Internship and 7 clearings of NPTEL MOOC.

Best Practice II

1. Empowering Students as Entrepreneurs in Herbal Hair Oil Trade as a Start up Venture.

2. The program aims to equip students with technical skills for oil extraction, foster market understanding and cultivate an entrepreneurial mindset.

3.Educating students about sustainable business ventures and entrepreneurship shapes the next generation of socially responsible entrepreneurs.

4.Skill Development Outreach Programme in Nariyambattu educatied 35 students about herbal oil production, industry trends, technologies, challenges, MSME concepts, licensing, and branding.

5. Students learned oil making, entrepreneurial skills and kiosk setups.

6.Funding for social and community initiatives is limited due to students' time constraints. Limited access to modern oil extraction and refining equipment and volatility in the oil market can hinder practical learning experiences.
