SECRETARY'S MESSAGE

All praises be to Allah!

By the blessings of Allah, it gives me enormous satisfaction to release our Semester-wise Newsletter which highlights the activities of our college from June to November of the academic year 2020-21. We could not conduct many

events in the odd semester in the campus due to the outbreak of COVID-19 but our faculties went extra miles and engaged themselves in many online activities that can be observed in the Newsletter. The classes were conducted virtually like regular classes with the same timings throughout the semester. I applaud and appreciate all the faculties of the college for their untiring efforts to conduct the classes virtually.

We are preparing ourselves to undergo Re-accreditation process of NAAC- cycle III. Our college motto "Striver Secures Success" inspires us to strive with our heart and soul to add many colourful feathers in the cap of our college. Allah says clearly in the Quran, "That man can have nothing but what he strives for; That (the fruit of) his striving will soon come in sight" (Holy Quran 53- 39, 40). Man must strive or he will gain nothing. Every stakeholder has to work hard to bring laurels to the institution. In sha Allah we will get good grade this time.

I appreciate the sincere efforts of the IQAC for preparing and releasing the Newsletter perfectly twice a year. I pray Allah to shower His choicest blessings on all of us and guide us in the straight path. I pray and wish the Principal, the Staff and the Students all success in all their future accomplishments.

Secretary & Correspondent

EXECUTIVE SECRETARY'S MESSAGE

In the name of Allah, the most beneficent and the most merciful!

By the blessings of Allah, I am quite pleased to see the release of our semester-wise Newsletter. I congratulate our staff members and students who find a place in the Newsletter through their achievements and success.

Many virtual extension activities, in campus and out campus were conducted all semester round to provide platform for our students to grow. During lockdowns our NSS volunteers served the public in and around Ambur which was much appreciated by the government authorities concerned.

All our Teaching and Learning process of this semester were done through online successfully. All regular classes were conducted virtually. Students were benefited from these classes and all their lockdown periods were utilized properly.

We trust Allah for His help in all activities of the college. His blessings are with us if we do good as Allah says, "Allah's blessings is certainly near to those who are the doers of good". (Quran 7-56) May Allah guide us to improve our institution in leaps and bounds. Aameen.

PRINCIPAL'S MESSAGE

All glories be to Allah, the sustainer, the benefactor, the merciful and the beneficent.

Our Semester-wise Newsletter will guide our students to develop themselves by reading the successful stories of their predecessors. This semester has ended in complete lockdowns. All our

Teaching and Learning activities were carried out successfully through online. All our faculties conducted regular virtual classes for all students. I am highly pleased with the efforts of our faculties.

I appreciate and congratulate every student who shared the joy of participation in Extension, Co-curricular and Extra-curricular activities in this semester along with their commitment to curriculum. Our college provides lot of opportunities where a student can develop his or her overall personality. Students are also advised to join in Support Services like NCC, NSS, YRC, RRC and Enviro Club to utilize their time properly as due to various gadgets we waste our precious time. Allah says in the Quran: "But waste not, for Allah loveth not the wasters" (Quran 7-31). I advise all my students to utilize all the opportunities provided by the college.

I pray Allah to shower His blessing on all of us and guide us to develop our college.

Dr. K. H. KALEEMULLAH
Principal i/c

EDITOR'S MESSAGE

Many Thanks to Almighty Allah, we are glad to release our Newsletter Volume IV, Issue 1, June 2020 – November 2020. We have presented all activities of our college to all our stakeholders through this Newsletter. Our Newsletter will act as a benchmark for the future development of the college.

The college IQAC takes steps to properly publish and release the Newsletter on time so that the students can get inspiration through the successful stories of their fellow classmates and develop themselves in all ways. Alhumdulliah, this time also we have brought many accomplishments of our students in this Newsletter.

Allah has bestowed us with many favours that we have to share with others by serving the society as our students have done during lockdowns. Allah says, "But if you count the favours of Allah, never will be able you number it" (Quran 16-18). May Allah give us more strength to serve the humanity excellently by using all our favours and resources. Aameen.

I hope this Newsletter makes an interesting read to all our stakeholders. Any comments, criticisms, opinions, suggestions to improve the quality of the Newsletter are highly appreciated and valued.

He started his career as an Assistant Professor of Commerce in The New College, Chennai and later became the Principal of our college in 1994. He endeavored heart and soul to bring Evening College, IDE of University of Madras and Tamil Nadu Open University courses in our college with the fullest support of our benevolent management. Another milestone in his tenure as the Principal is the start of PG courses in 2007-2008. He retired from his service on 31 May 2011 and continuously served the society as an executive member. He served as an External Expert of IQAC after his retirement.

We deeply grieve the absence of this Great Soul among us. May Allah Jallashanahu bless him with jannathul firdaus by accepting all his deeds and services to the society in general and to the college in particular. Aameen.

Every soul shall have a taste of death. And only on the Day of Judgement shall you be paid your full recompense. Only he who is saved far from the Fire and admitted to the Garden will have succeeded. For the life of this world is but goods and chattels of deception.
