MUC Incubation Centre Policy

The incubation policy of **MUC Incubation Centre** aims at creating a supportive environment for the innovation, technology, and knowledge-based start-ups initiated by the students of Mazharul Uloom College Ambur. The incubation policy defines the process of selection and evaluation of business ideas initiated by the faculties/students of Mazharul Uloom College which seeks assistance from the ED Cell. The main aim is to promote innovation and assist start-up companies by establishing and providing physical infrastructure.

This Pre-Incubation/Incubation facility shall be accessible 24x7 to students, staff and faculty of all disciplines and departments of our college. MUC will allow setting up a start-up (including social start-ups) and working part-time for the start-ups while studying / working and may allow their students / staff to work on their innovative projects and setting up start-ups (including Social Start-ups) or work as intern / part-time in start ups (incubated in any recognized Incubators) while studying / working. Student Entrepreneurs may earn credits for working on innovative prototypes/Business Models. MUC incubation centre will develop a clear guideline to formalize this mechanism. Student inventors may also be allowed to opt for start-up in place of their mini project/ major project, seminars, summer trainings. The area in which student wants to initiate a start-up may be interdisciplinary or multidisciplinary. However, the student must describe how they will separate and clearly distinguish their ongoing research activities as a student from the work being conducted at the start up.
