## **Memorandum of Understanding**

**Between**

**Mazharul Uloom College, Ambur**

**And**

**JAWA Computer Center, Ambur**

The memorandum of Understanding is entered into this 5<sup>th</sup>, January, 2021 (date, month and year) by and between Career Guidance and Placement Cell: Mazharul Uloom College, Ambur, an academic institution established in 1969 by Ambur Muslim Education Society. The college is affiliated to Thiruvalluvar University,

And

**Jawa Computer Center,**

No.4, Barnakar 2nd Street, Flower Garden, Ambur, Tamilnadu, India

(Hereafter referred to as “ the industry partner”)

### **Purpose**

The purpose of this agreement is to explore the areas of co-operation for mutual benefits of College and Institute because they

- a) Recognise the importance of skill development and contribution required for social development of India
- b) Recognise the mutual interest in the fields of training and development of human resources
- c) Recognise the importance of industry partner in the areas of cooperation given below

### **Areas of Co-operation**

1. Set the ground for long term College –Institute partnership for the benefit of the society
2. Foster mutual support in their learning, training, development, internship and placements based on mutual convenience.

### **Pros for the college**

1. IT skills that are not covered or under covered in the present University syllabus are taught to the students in the form of diploma courses which increases the placement opportunities of our students.
2. Jawa Computer Center provides the courses through Rajeev Gandhi Youth Computer Sakshartha Mission (RGYCSM) which provides many computer based, vocational and short term courses. In Tamilnadu, Jawa Computer Center is the only center in the state which provides the courses under this government scheme.
3. The cost of the course is subsidised as per the current scheme and the student tends to get additional government sponsored diploma course along with the degree.
4. The certificates of the students can also be verified online in future through RGYCSM website.

#### **Pros for Jawa Computer Center (JCC)**

1. Jawa Computer Center gets a steady stream of our college students for their fee based courses. (Monetary benefit to Jawa Computer Center).
2. Students will be getting familiar and reminded of local educational facility in close geographic proximity to Mazharul Uloom College.

#### **As part of MoU**

##### **College will provide**

An opportunity to the guest speaker of Jawa to canvas their programme based on the availability and approval request through college authorities before the conduct of the programme (must intimate prior, based on the availability of college resources)

##### **Jawa Computer Center will provide**

JCC will canvas by either conducting One Day Workshop or Seminar explaining about the various latest courses offered by them and how specific skills present in the courses are in high demand and employability. Also enlightening the students with the road map on how the course would benefit them in their placement with lesser "un-employment time period".

6. MUC can conduct "NSF Annual Meet and Award Distribution Ceremony" and can start "International Eco Club Student Chapter" at MUC campus.
7. MUC can nominate a few staff coordinators and students to start "International Eco Club Student Chapter" at MUC campus.
8. MUC can nominate one staff coordinator for NSF Advisory Board Committee to improve the activities of NSF in coming days.
9. MUC can work as an Out station (Branch) of NSF to coordinate the activities of NSF.
10. MUC can undertake, if interested, "Eco Audit", "Green Campus Audit", "Energy Audit" and "Hygiene Audit: with special discount fees structure with NSF coinciding with the fees collected for 'International Eco Club Student Chapter'.

11. If MUC is interested to conduct "Lead Auditor Course on Environment Management Systems, Green Campus Audit, Hygiene Audit and Energy Audit" jointly with NSF, it is most welcome to conduct the programme in a big way.
12. MUC can become an Ordinary/Provisional/Life membership with NSF to avail the benefits of 'Environmental Management Audits', 'International Eco Club Student Chapter' and 'Awards and Honours' (best faculty awards, best scientist awards, best institution awards and Fellow awards) including the conduct of the 'National and International day celebrations'.
13. The Students and staff members seeking for financial support to carry out the 'Student Project Scheme' should be a member of the 'International Eco Club Student Chapter' and the Institution should be enrolled with the NSF.
14. NSF is promoting R&D work having social relevance, significance and usefulness to our Country in terms of environmental protection and nature conservation.

### **3. Costs**

Each Party will be responsible for its own costs in connection with all matters relating to collaborations under this MOU. Where possible and appropriate, the Parties may also seek funding for collaborations from other Government and private agencies.

### **4. General Provisions**

4.1. Treatment of intellectual property rights developed through collaborations under this MOU will be determined between the Parties through mutual consultation and separate written agreements on a case-by-case basis.

4.2. Publication credits of any kind arising as a result of this MOU shall be shared by both the Parties. The corresponding authors of the publications would be the Party which has prepared the manuscript. The publications as a result of this MOU will be made under mutual concerns of the Parties while either Parties are intimated verbally.

U-4.6 

## 5. Confidentiality

The parties agree that there is no intention to share any confidential or proprietary information in any collaboration under this MOU. If either Party wishes to disclose information it considers to be confidential or proprietary to the other Party, the Parties will enter into a written non-disclosure agreement.

## 6. Duration
