EMPLOYERS FEEDBACK ANALYSIS - 2023-24

Feedbacks were collected from 6 employers-Mohib shoes, Farida Shoes Pvt Ltd, Delta shoes, NM Zackriah Company, Shafeeq Shameel Company and Aston shoes where the students are employed. The feedback was collected by Interview method from the employers. The results are presented below

1. It was noted that around 80% of the employers have given the consent that our students meet the expectations of the organisation. The employers are satisfied with their calibre and feel that the graduate students are learning essential skills in the college to meet the industrial expectation.

2. 90% of the employers prefer our college for its recruitment due to the nearest geographic location, 85% of the employers feel that they have successful experience from previous year students.

3. 96% of the employers feel that the students should have a sound subject discipline knowledge, effective communication and IT skills to get the job. 92% of the employers have stressed on the soft skills qualities to present in the candidate like openness to change, ability to work under pressure and have the potential to take up the responsibility to be placed in the job.
